PROFILE

Experienced Web Developer adept in all stages of advanced web development.

Proficient in various platforms, languages, and embedded systems.

Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team.

EMPLOYMENT HISTORY

#100Devs at LearnWithLeon, Remote

January 2022 — Present

- Oversaw all aspects of design and development, and offered design solutions when necessary.
- Planned, developed, tested, deployed, and maintained web applications.
- Worked to meet client deadlines.
- Effectively multitasked and worked well with internal and external teams.
- Remained dedicated to emerging technology and the latest digital marketing concepts.
- Worked to assess competing websites in regards to content, look, and feel.
- Successfully identified, diagnosed, and fixed website problems, including broken links, typographical errors, and formatting issues.
- Effectively translated client requirements into application designs and system requirements.
- Brought forth vast experience designing and developing responsive design websites.
- Worked with a proficient understanding of code conversion tools.
- Helped to achieve a consistent look and visual theme across the website by promoting uniform fonts, formatting, images, and layout.
